# Galway Slouchy Beret Kit

to crochet —  
\$27.50

This gorgeous beret only *looks* difficult but is suitable even for beginning crocheters. Designed by Tian Connaughton, you'll work its lace pattern from the brim to crown, in the round. Suggested hook sizes: H and J.

Your new beret — or perhaps it's a gift? — will look smashing in **Moonshine**, from Juniper Moon Farm. Truly a fiber crafter's dream, this worsted-weight blend of wool, alpaca, and silk comes in a wealth of glowing colors; their subtle variations give this yarn incredible depth (197yds/hank). Just a few of the jewel-toned colors we carry are pictured at right.

The kit includes printed pattern and 1 hank of Moonshine (all the yarn you'll need) for \$27.50 plus sales tax. Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected). Call **530-642-2270** or stop by the shop to purchase your kit today!
