## Interlude Shawl Kit *to knit* — \$73.03

This bias-knit, asymmetrical triangle shawl is worked in 3 different colors and several different stitch patterns to give it incredible texture and interest. The elegant, wearable pattern, by Lisa Hannes of Maliha Designs, was created in collaboration with Shalimar Yarns.

You'll make yours using contrasting or complementary shades of **Moonshine**, our go-to yarn from **Juniper Moon Farm**.

Moonshine is worsted weight, 40% wool, 40% alpaca, and 20% silk, and truly lives up to its name with its multitude of luminous colors (197yds/hank). Suggested needle size: US 8.

Kit includes printed pattern and 3 hanks of Moonshine for \$73.03 plus tax. Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected). Call 530-642-2270 or stop by the shop to pick up your kit!
